I'm going out with Hanseo.

.....

You know that I don't like you...

What if I get a girlfriend?

.....
Are they really going out..?
Then, you should confess too.

What...
D-don't say something weird!
Why?
Hanseo isn't that bad.

I...don't know...
How are you doing these days, unnie?
Did oppa take Ran home?

Don't even talk about that jerk.
Huh???
He's alive, though. He told me to take care of Ran for a few more days.

Ah... then, are you looking after him?

Yeah. We're shopping now.

Mom, mom. Look at that animal ears cap. I want it too.

Why are you like this today? I've bought a lot of snacks for you.

Can you bring him to a crowded place?

GV LP

I've told him some precautions beforehand.

Ran, if we go outside, you can't move your ears or tail.

You can't meow or cry, and don't follow strangers.

If other people know that Ran is a cat,

You might not be able to meet Jaehyun again.
!

I must've freaked him out. He doesn't want to separate from me.

He would look so cute... Unnie, I have to go for tutoring now.
Okay~

He's so nervous...

But...he's kinda cute...

Ran,

Do you want to ride this?

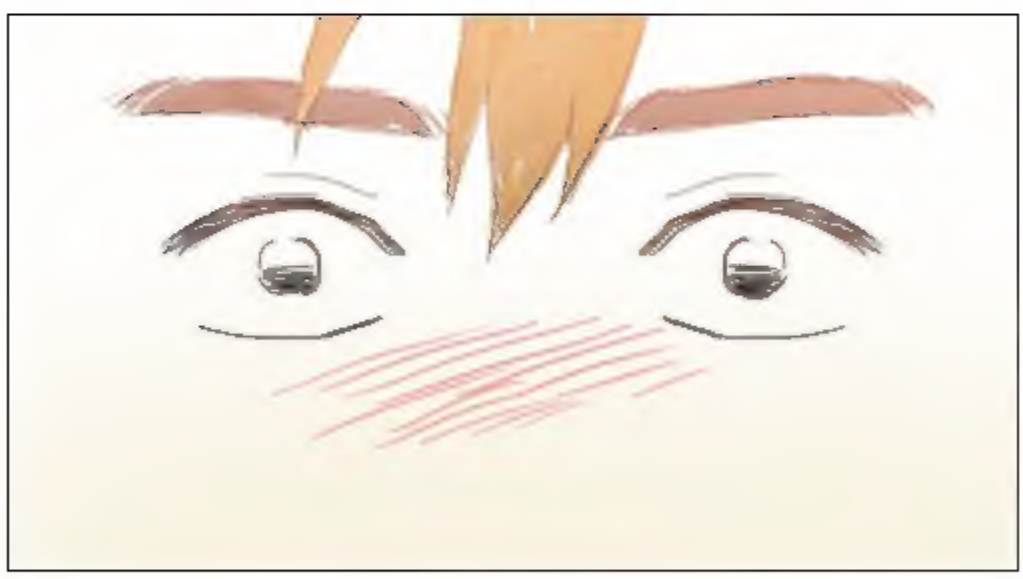
Oppa, it's him. The kitty next door that I met on Christmas at the park~

There's no way a cat human exists.

I'm telling you. They exist. Look here. Quick.

I've heard you before, but the uncle next door doesn't have a cat.

C-cat...



H-he's so pretty..!

Ah, hello. Juhwan's mother!

Huh?

Teacher?!

Oh my, Juhwan is here too. How was y—

Teacher!!!

This punk... You should greet her first.

Who is he?

Is he your family?! Does he live with you?

I want to hang out at your house!

You punk, to an adult...

Aarggh.

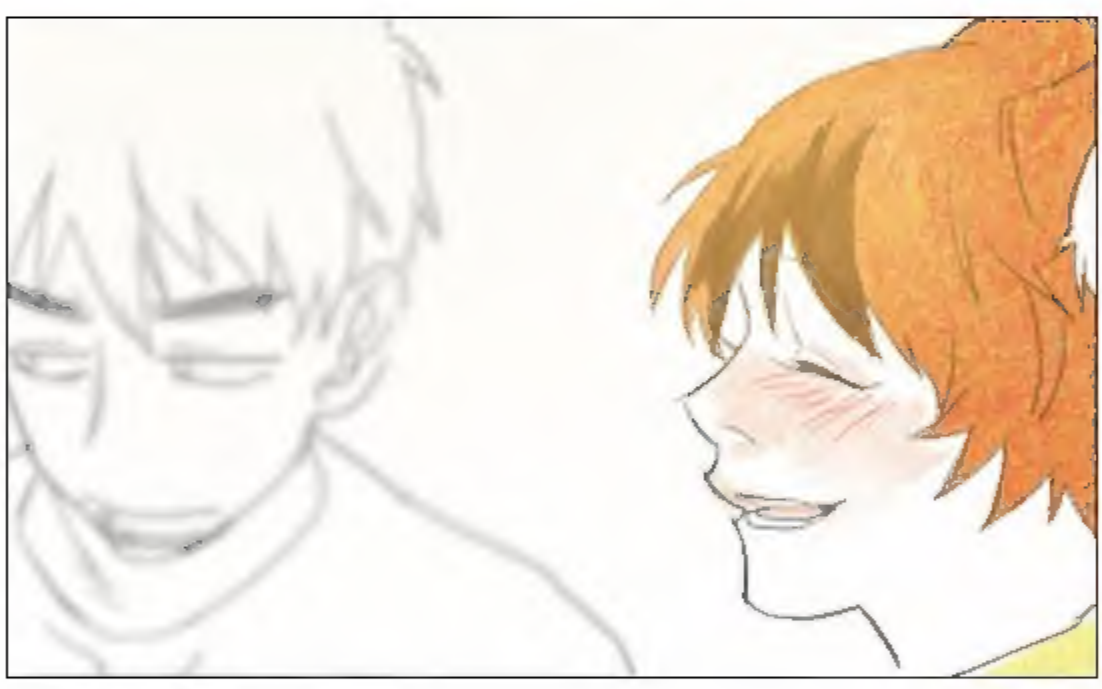
It's okay. It looks like Juhwan just wants to make a friend.

Oh, I wouldn't want to be a bother.

They're coming to play for 3 days without missing a single one.

When they first saw Ran, they said they already knew that he is a cat.

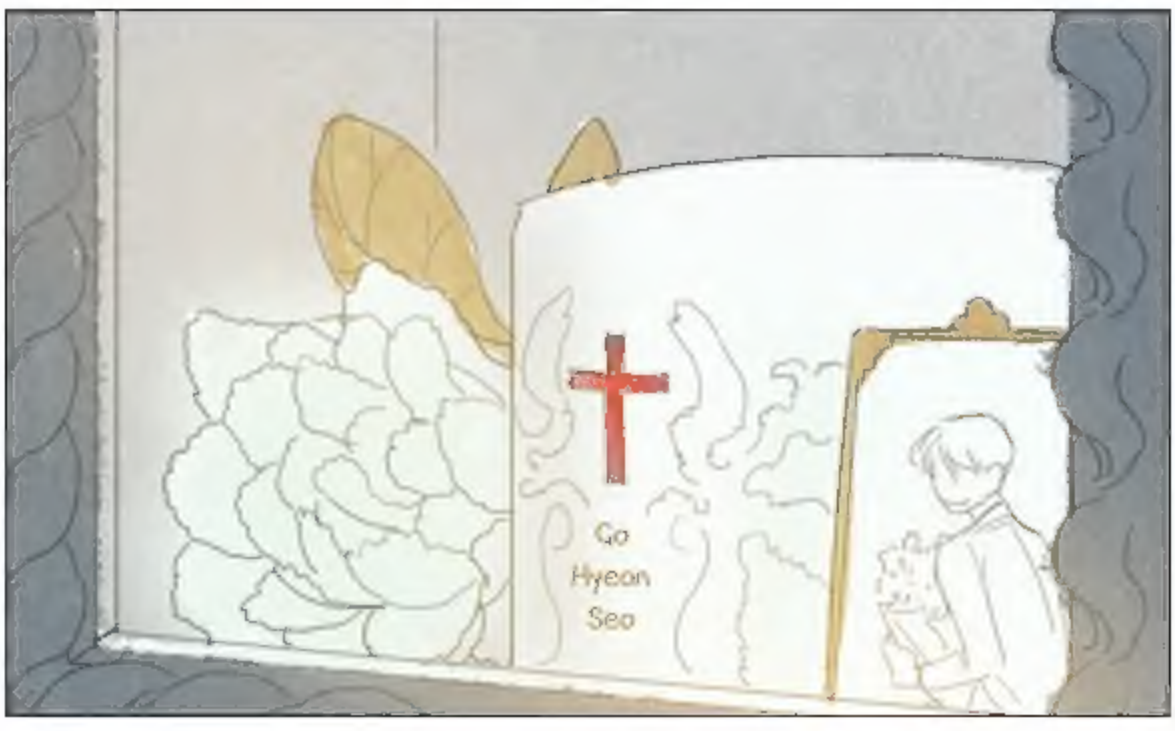
They never asked 'how?'. I thought it's a good thing that they took it for granted.



Ran looks comfortable and happy being with the children.

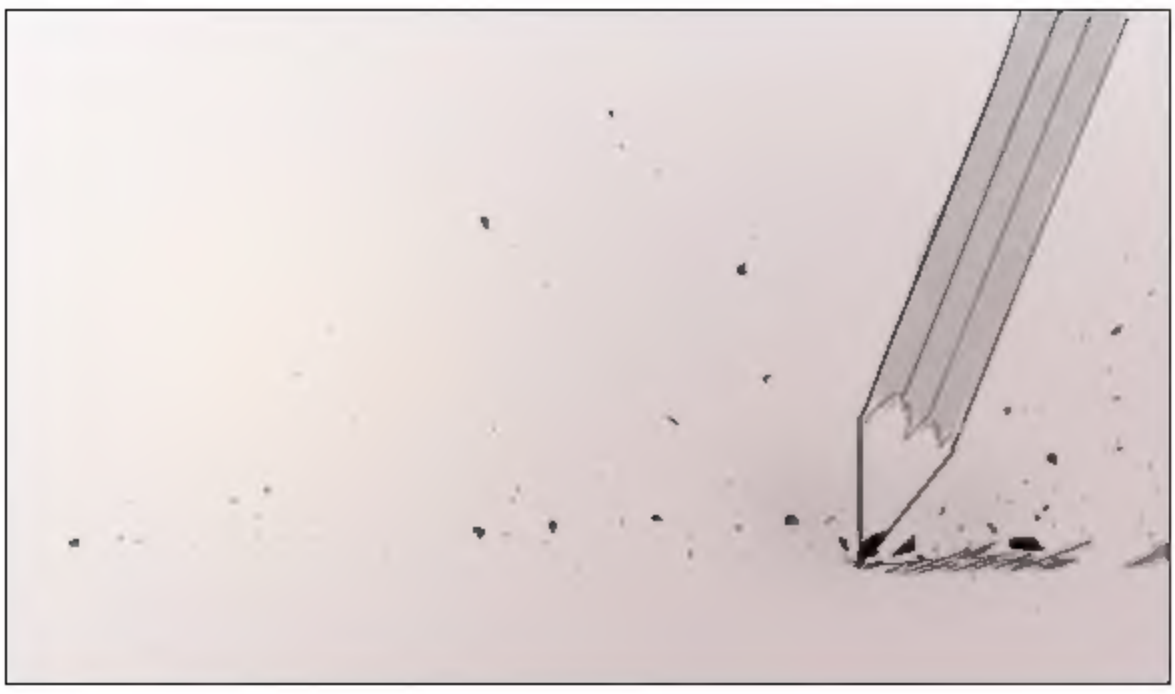
That day...

...He headed there as if bewitched.



He knew everything.
But he can't bear it because he knows.

He doesn't want to believe it
And he just doesn't want to admit it.



Even writing
can't console his shattered heart.

As if swallowed by that emptiness,

He falls into the dream.
